A FESTIVE TIME AT THE *DECEMBER HOEDOWN*

Everyone had a great time at the december hoedown held at the Senior Center on the 12th. The callers were terrific, which made for great dancing. Decorations were very nicely done by Larry Kellogg, with the help of many club members. Thanks to all the people who provided the food treats too.

A pat on the back for those who worked together to make this a success. Hopefully we can do this again for future events. It only proves our club works best when we are all working together!

EDITOR'S COLUMN

Having just typed the Board Meeting minutes, I can't help remembering the rather lengthy discussion which came out of the mention of forming an exhibition group. Needless to say, not all of the meeting minutes are covered here!

The most interesting part of that conversation is that we are even contemplating such a group. As much as we need it, I find it ironic that we can't get through a mainstream call, much less a Plus call, without at least one square breaking down.

The contention being that this "group" would memorize a couple of fairly easy songs, with specified flourishes only. (Have you ever watched one of the club's squares dance a Do Sa Do, with all four couples doing the same thing?) This would be easy for a group who practiced often, and had at least one square attend each practice session.

But then, those club members (mainstream or higher), who forget how to "circulate", continually, are not going to be able to remember specific dances any better.

This doesn't mean that this club can not organize an effective group of dancers to show off our dancing skills; but it will take some organization, and some straightforward diplomacy to tell some people, who do not make it, that they are not ready to dance in the exhibition group. It will also take courage for those who do attempt to dance.

We dare the club to even attempt it! We also wish the club lots of luck if they do!!!

. . . "You are now a . . .

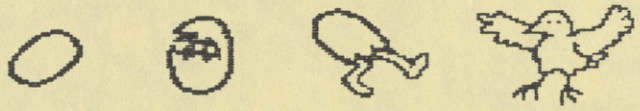

. . . Square Dancer!"

Wouldn't it be quite a trick if this was how a person became a square dancer??

Imagine, . . . no repeating the same call or song, over and over . . . no learning a new dance or call (you'd know them all) . . . no need to come to class, as the dances would be boring . . . no meeting new people at hoedowns . . . no plans to attend the annual CCS Clear Lake Get-together . . . no annual IAGSDC convention to attend . . .
. . . well, maybe that wouldn't be such a neat trick!

I'd rather continue learning and dancing, while having loads of fun, seeing new and former acquaintances.

Another quote from HARRY and his "HELPFUL DANCE 'TIPS'".

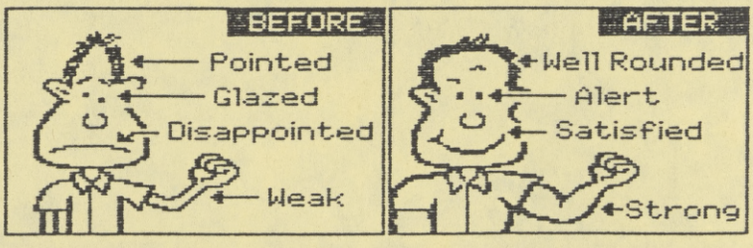

BEST WISHES TO ROY!

Welcome home, Roy. After two weeks of loitering in the hospital, it's about time you made it back!
Hope to see you up and around soon . . .

. . . maybe in Clear Lake!

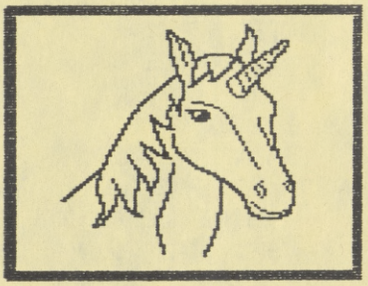

I was a 98 pound weakling both mentally and physically till I made up my mind to go to . .

. . . the Annual Capital City Squares Clear Lake Outing.

NOTES OF SQUARE DANCE HAPPENINGS

If you are not acquainted with the plans for the Phoenix "Crosstrails in the Desert" IAGSDC Convention, from May 19 - 22, then you'd better start planning now. There's events planned for several days before (how can anyone pass up planned shopping trips in the desert!), and you don't want to be unprepared for the trip, by not registering now (See last page of this newsletter for registration form).
Check out the information at the caller's table, on club nights, for more details.

Have you heard about the Hoedown in San Francisco in March (19th?), with Paul Marcum as the featured caller?
Look for more information from the Western Star newsletters, at the caller's table, on club nights.

Check the list of IAGSDC members on the back of this page; and don't forget to contact the nearest club, when you go traveling out of town. They're always hospitable, and you'll be glad you did (what an awful cliche!).

Are you an aspiring writer? Have you ever dreamed of becoming a journalist? Have you ever written poetry? Have you ever written smut? Do you ever think to yourself, "I could write better than that!"

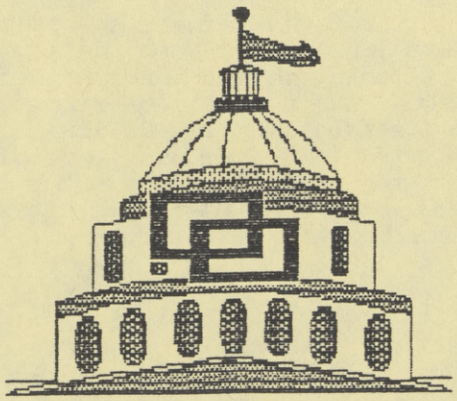

Well, don't just think about it - go ahead and do it! Write up an article for the club newsletter, and bring it to club night. Make sure it gets to the Newsletter staff (Mel or Rich) and you can become a celebrity (or at least we will think you're really great for helping to contribute to this literary endeavor).
